1. ACCESSIBILITY PLAN

This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools and trusts on the Equality Act 2010](#).

The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”.

According to the Equality Act 2010 a person has a disability if:

- He or she has a physical or mental impairment, and
- The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

The Accessibility Plan is structured to complement and support the Equality Objectives of Ventrus Multi-Academy Trust ('The Trust'), which are published on the Trust's website. We understand that the Local Authority will monitor the school's activity under the Equality Act 2010 (and in particular Schedule 10 regarding Accessibility) and will advise upon the compliance with that duty.

2. OBJECTIVES

St Martin's C of E Primary School Accessibility Plan shows how access is to be improved for pupils, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable.

The Accessibility Plan contains relevant and timely actions to:

Improve and maintain access to the physical environment of the school and/or to the curriculum and to make improvements the delivery of written communications.

Training will recognise the need to continue raising awareness for staff, Trustees and Local Governors on equality issues with reference to the Equality Act 2010.

This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Behaviour Policy
- Curriculum planning
- Health & Safety Policy
- School Improvement Planning
- SEND Policy
- Supporting Pupils with Medical Conditions Policy

Relevant reviews and associated audits will be carried out in a timely manner in order to inform accessibility planning.

The Accessibility Plan will be published on the school website.

The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010.

This document will be reviewed at least every 3 years, but may be reviewed and updated more frequently if necessary. It will be reviewed and approved by the Board of Trustees

APPENDIX 2: Action plan

As part of our commitment to inclusion and equality, this plan sets out how the school intends to make reasonable adjustments (with anticipatory readiness) to ensure that pupils and adults with additional needs and/or disabilities are not directly/indirectly discriminated against at any time. Advice and support in the completion of this plan is available from the Central Team.

Monitoring and Review

It is the Headteacher and LGB's responsibility to review this plan annually to monitor the effectiveness by:

- Ensuring sufficient resources are allocated to enable the plan to be implemented according to the agreed timescales
- Monitoring the progress of children with additional needs and disabilities, relative to the progress made by other pupils
