

Welcome to Robins and Sparrows Autumn 21

Sparrows

Mrs Graham & Mr McKnight - Teachers
Mrs Drew-Cull - TA
Mrs Whitten - Forest School Teacher

Robins

Mrs Downing - Robins teacher
Mrs Davies - (Thurs am)
Mrs Dogan - TA
Mr Cook - TA
Mrs Whitten - Forest School Teacher

What do I need to bring to school everyday?

A water bottle

A raincoat

A bookbag on given days (TBC)

Please keep toys and precious items at home, we have plenty of fun things in the classroom.

P.E.

P.E. will be every Tuesday and Thursday unless they have forest school that week in which case P.E. will be on a Thursday. Children will need to come to school dressed in their P.E kit. Some sessions will be outside so please make sure your child has a school jumper or cardigan.

What about the wet and cold weather for Forest School?

Forest School will run every Wednesday afternoon through the year as we want to experience the different seasons and weather that our climate has to offer! Please ensure that all children have wellies in school (which you can leave outside the classrooms) and suitable, warm clothes for Forest School. Please can the children come to school dressed in their forest clothes, with their waterproofs and wellies either in a bag or left on the welly rack outside the classrooms.

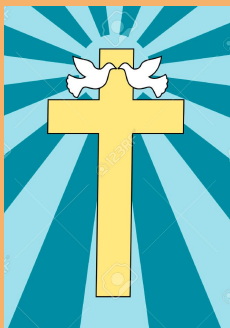

Robins and Sparrows will be attending the forest on alternate weeks - please see the dates opposite. Collection at the end of the day will be from the Forest.

Forest Timetable

| | |
|----------------|----------|
| 8th September | Robins |
| 15th September | Sparrows |
| 22nd September | Robins |

| 24th November | Robins |
| 1st December | Sparrows |
| 8th December | Robins |
| 15th December | Sparrows |

Welcome to Robins and Sparrows Autumn 21

R.E.

This term our key questions will be "What do Christians believe God is like?" and "Who do Christians say made the world?"

Science

We will be looking at animals including humans. Classification of animals. Looking at carnivores, herbivores and omnivores.

Geography

We'll be looking at our local area, discovering more about Cranbrook, Devon the UK and our place in the world.

History

We'll be looking at local Scientist legend Mary Anning and her amazing fossil discoveries this half term as well as learning about Guy Fawkes and the gunpowder plot!

English

Our key text to begin this half term is *We're Going on a Bear Hunt*.

We'll be immersing ourselves in the story and learning key phrases by heart before innovating our own versions in our writing.

Maths

This term we are focusing on place value within the numbers 0 - 20, addition and subtraction within 0-10 and exploring 2d and 3d shapes.
